How to access our car park?

- Press the button 'Onthaal/Accueil' on the intercom at the entrance and pass on your **name**, your **company** and your **car's number plate**. When your data correspond to the reservation made for you, the welcome desk will open the garage door.
- Enter the underground car park. Through the car park's door, you can reach the elevator and the staircase. Proceed to the ground floor and notify your presence at the welcome desk. The person you have an appointment with will come and fetch you at the visitor's desk.
- After your appointment, you can leave the premises at once. You don't need to inform the welcome desk to leave the car park.
